Department of Mines

Directorate of Industries and Mines

—
Order

No. 96/187/87-Mines/1422

(In the matter of Renewal of Mining Lease of the
Applicant Shri Sitakant M. Garco by
Application dated 22-12-1994)

Late Shri Mahableshwar S. Garco of Agacaim-Goa was a holder of erstwhile mining concession named "Zamblimolleacho Soddo" for iron ore granted under Title of concession No. 2 dated 16-1-57 over an area of 90.50 Ha of land situated in Mugali village of Sanguem taluka. Consequent upon the enactment of the Goa, Daman and Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987, the above mining concession stood abolished and declared as mining lease under Mines and Minerals (Development & Regulation) Act, 1957 and the rules made thereunder.

On 22-12-94 Shri Sitakant M. Garco legal heir and power of attorney holder for all other legal heirs of late Shri Mahableshwar S. Garco (hereinafter referred to as the applicants) applied for renewal of mining lease for a further period. The delay in submission of renewal application was condoned by the State Government. Thereafter by a notice bearing No. 96/187/87-Mines/12001 dt. 5-2-99 issued under Rule 26(3) of Mineral Concession Rules, 1960, the applicants were called upon to submit the following documents:

1. Valid clearance certificate in terms of Rule 22(3) (d) of Mineral Concession Rules, 1960.

2. Statement of consent towards surface rights in terms of Rule 22(3) (h) of Mineral Concession Rules, 1960.
3. Copy of valid approved mining plan.

A notice for personal hearing was issued to the applicants on 19-1-01 to appear before me on 12-2-01 and to show cause why the application for renewal of mining lease should not be rejected as the applicants had failed to submit the above documents. In response thereof, the applicants filed a written submission vide their letter dt. 12-2-01.

I have gone through the records of the case and the submissions made by the applicants. It is seen that the application for renewal of mining lease was submitted nearly after a lapse of about 7 years from the date of expiry of the lease following the above enactment of the Abolition Act 87 and between the date of filing the application and the date of personal hearing about 7 years have passed. The application for renewal of mining lease is required to be submitted in Form J with all the relevant documents in terms of Rule 22 of MCR 1960. The applicants were issued a statutory notice on 5-2-99 as required under Rule 26(3) of Mineral Concession Rules 1960 to supply with the omissions within a period of 60 days. The applicants have so far been unable to produce the Valid Clearance Certificate as well as the approved mining plan as on date which is a pre requisite under Rule 22 of M.C.Rules 1960. The written submissions filed by the applicants have been carefully considered. It is the contention of the applicant that a part of the area under mining lease have been acquired by the State Govt. and that the acquired area needs to be excluded from the computation of dead rent. This matter in my opinion cannot be raised at this stage and if at all the applicant had a grievance about reduction in area resulting from land acquisition as contended by him, it was obligatory on his part to bring to the notice of the Department earlier. This contention therefore cannot be accepted now. In regard to the submission of approved mining plan the applicant has contended that same is under preparation and that it would require some more time. As mentioned above already, a period of 7 years has already passed since the applicant has filed the renewal application. In fact under Rule 22 of Mineral Concession Rules 1960 the applicant ought to have submitted his application in Form J without all proper documents. Considerable time has lapsed in the process and there appears to be no sign of the applicant having taken steps to submit the said approved mining plan. Under these circumstances, I am not inclined to grant any further extension of time for preparation of mining plan.

As mentioned above, Rule 22 of Mineral Concession Rules 1960 prescribe valid clearance certificate and the approved mining plan as pre requisite for the purpose of renewal of mining lease application. A statutory notice was issued to the applicant on 5-2-99 to supply the omissions which they have failed to comply even as on date. Under these circumstances, I have no other alternative but to reject the application.

Now, therefore I, Shri J. B. Singh, Director of Industries and Mines in exercise of powers conferred upon me under sub rule (1) of rule 26 of Mineral Concession Rules, 1960 in pursuance of Notification No. 5/80/89-Mines dt. 22-12-00 hereby reject the application of Shri Sitakant M. Garco for renewal of mining lease.

J. B. Singh, Director of Industries and Mines.
